Dear Parents,

All our children and a number of community members attended our 'Sorry Day Assembly' on Monday. This is an important day on our school and nations calendar. We have recognised the day since Kevin Rudd’s 'Apology to the Nation' in 2008 for past governments decisions on removing Aboriginal children from their families. At the assembly I said how proud I was that every day we learn together, care for each other, share and play together. We are not concerned about the colour of one’s skin, or what religion we are, or if someone has red hair or blond hair. We are concerned though on how we are treated. We all want to be treated with respect and to be treated fairly. Our kids can teach us a lot and as I said it makes me proud.

How much fun was our recent disco! There are some great photos of the senior and junior disco (and other events) on our website. The P&C are looking at getting another line of shorts in the uniform shop. The shorts will be on display outside the front office every morning and afternoon. Please choose the one you like the best and have a vote. The children will also be voting. The display has been made by our leadership team.

Have a great week
Tom Purcell
Principal

1-2-3 Magic Group

Are you interested in joining other Batemans Bay Public School parents in learning how to manage children’s behaviours and emotions?

Kathy Godwin, School Counsellor, will be running 1-2-3 Magic Parenting sessions each Wednesday from June 12 to June 26. 1-2-3 Magic is a simple, effective and easily learnt method of helping children learn self-regulation. The group meets for approximately 1 1/2 hours a week for three weeks (1:00 – 2:30) – that’s all it takes!!!

If you are interested, could you please return the attached slip?

Contact Kathy Godwin at school if you’d like further information.

PLEASPE PLEASE PLEASE! Remember to keep asking for and collecting your Woolworths Earn and Learn stickers when shopping at a Woolworths supermarket. These stickers result in our school obtaining FREE valuable resources, which will assist with your child’s learning and involvement in extra curricular activities throughout their schooling.

Place your stickers on the appropriate sheet and then take this completed sheet to the front office and place in the box provided.

We have already received 11,700 stickers!! Wow!

At the end of the promotion, we’ll be able to select from over 7,000 resources including maths and science equipment, arts and crafts material, sports gear and more!
