Dear Parents

WOW, what a week. Education Week was certainly a wonderful time here at school. We celebrated Learning Caring Sharing Playing with special assemblies, Doing Things Together Day, performances and Junior Athletics carnival. Thank you to all those parents, carers and families who came along and were part of the fun during the week. Photos are available on our website in the Gallery section.

School photos yesterday went smoothly with 2 crews working in the Library and the Hall. Parents have until next Tuesday for any late payments. Go to www.theschoolphotographger.com.au for payment information. The photos will be back before the end of term.

Congratulations to our Flute and Recorder groups who travelled to Nowra today for the Eisteddfod. Thank you to Sandra Smith who has put so much effort and time into the students to get them to this level. Just as this newsletter went to print, we have found out that the Recorder group WON their section and Flute has got a Highly Commended.

We have had a large number of children with tummy bugs, extremely sore throats, diarrhoea and other flu symptoms. We all can employ simple methods such as thorough hand-washing, nose blowing and keeping surfaces clean to help prevent the spread of the flu. If your child is sick, please keep them at home until they are better. Sick children can place stress on working families, however, if you have support during these times it allows all work places to do their jobs. We look forward to your assistance with this school community issue.

Have a great week

Sue Maxworthy

**Dad’s Day**  
(Father Figure)

Wow! It’s that time again.

Thanks to our wonderful Dads who have attended our previous Dad’s Days. They have been a fantastic success. The kids were keen, so here we go again.

Can you find the time to spend a couple of hours with your child/children at school on Friday August the 30th between 11:40-1:00pm?

There is no cost, just a chance to see your ‘little treasure’ at their place of work. We would love to see even more dads this year.

Check out the rooms or just come and play. Inside or out.

Come on Dads!

Last year was big but hey, Dads can always do better!

**DONATIONS OF CHOCOLATES OR LOLLIES TO FIT INTO OUR COFFEE MUGS ARE NEEDED FOR THE P&C FATHERS DAY STALL, PLEASE DROP THEM INTO THE FRONT OFFICE**

---

Thank you to our breakfast club sponsors. Please support these businesses who support us!!.
Milk

Milk is a good source of calcium, which gives children healthy bones and teeth. It is recommended that children have three serves of calcium rich foods a day. A glass of milk, a slice of cheese or a small tub of yoghurt, are each considered one serve.

Due to the high energy needs of babies and toddlers, reduced-fat milk is not suitable for children aged less than two years. However, from the age of two years, drinking too much milk can reduce a child’s appetite and contribute to excess energy consumption. Therefore reduced-fat milk is recommended for children two years and over.

0 - 12 months
Cow’s milk is not suitable. Breastmilk is best.
12 months to 2 years
Skim milk and reduced-fat milks are not recommended.
2 years and older
Reduced-fat milk can be used.

EDUCATION WEEK AWARDS 2013

Congratulations to the following students who received awards at last week’s assembly for “Consistent effort and commitment to school life”:

**JM** Matilda de la Rue & Cheyanne Townsend
**JR** Angus Nicholls & Jake Sullivan
