Dear Parents

The fete was just awesome. Thanks to the P&C and staff for their efforts in making this a special day for the kids and their families. You know when you look forward to something and it ends up being not quite as good as you hoped? Not our fete! I was, as were all the kids, so looking forward to it and we were not disappointed. The only thing I didn't try was the ‘Haunted House’. Too scary! I saw what it did to those who entered. A WOW day!

Good weather for our ‘Bike Day’ activities. Not like terrible Tuesday. A big thanks to Paul Morgan from the bike shop in town for coming over and working with the children. Paul is a member of the Bay Cycling Club and will have some fun days coming up next term.

The school put on a breakfast this morning to thank and celebrate the awesome ‘Breakfast Club’ program and the many volunteers who come each week to help make this initiative a success. At this breakfast Bev Nicholas was presented with the Paul Harris Fellow Award by the Rotary Club of Batemans Bay. This is a highly prestigious humanitarian award for all the work that Bev has done to make sure that all the children at our school are given opportunities and experiences that have positive and life changing outcomes and are a lot of fun. What a way to end the term!

Have a safe and happy break. See you all next term.
