Dear Parents

What a WOW Book Parade last Friday! We had so many parents, carers, and family members who came along to be part of the fun and stayed for lunch with their children. Thank you to the parents who took the time to dress their kids up and to the staff who make always the day so special and such a success. It is always such a big event on our calendar.

Another big event on our calendar is the P & C Fathers Day stall which will run tomorrow, this Thursday. Gifts are available form 50c to $10.

We also have our K–2 Dads Day activities on Friday from 11:30 to 1:00pm. We look forward to seeing some Dads, Pops and significant males coming along and being part of the day.

A very big thank you to the following families and businesses that have kindly donated their goods or services to our school for the Fete. They are: The Knox Family - Lincoln Plumbing Mia and Chad Dixon - Aperture Images. If you would like to donate an item or service to our school for fundraising at the school Fete, please contact the school on 4472 4059.

As the warmer weather slowly creeps back, head lice become more and more prevalent. Can I please ask that all families this week and again on the weekend check each child in their family and treat their child if you find eggs or lice. This is a whole school issue and I know with careful attention we can get rid of them. More info in this newsletter.

There is also quite severe cases of the flu around at the moment. A simple prevention is consistent hand washing, nose blowing and covering your mouth when you cough will assist with the containment of this flu.

Congratulations to Brittany, Judith, Taylor and Alexandria who represented our school at the Regional Athletics Carnival last week. A great result.

HEAD LICE

There is an increase in the amount of children who currently have head lice in the school.

We ask ALL parents to thoroughly check all their children's hair and treat where necessary please. One of the simplest forms of treatment is conditioner and diligent combing with a fine 'nit' comb. This process must be repeated over the course of 6-10 days (as this is the breeding cycle of head lice). Also, if your child has long hair, we ask that this be put back into a hair band to help prevent the spread of head lice to others. This is a burdensome issue for all families, so if we all make an effort we can hopefully eradicate them.

I know with consistent treatment and all families making it a priority, we can significantly reduce the spread and problem with head lice.

Please see Mrs Maxworthy in the front office if you have any queries.

staffroom and volunteer your services.
The following week we will have our next monthly P&C
Meeting held on Thursday 5th September 2013 at
7pm in the school staffroom.
Meetings are short, informative and allow you to have
an input.
Everyone is welcome so please come along.

Thank you to our breakfast club sponsors. Please support these businesses who support us!!.
SCHOOL A to Z The DET has provided parents with an exciting and helpful website that parents can access to refer to on curriculum matters, technology, behaviour and even the age old homework dilemmas. It is called School A to Z. There are videos, articles, interactive games, items to listen to and some quick Q & A style articles that parents will find interesting and informative.

Below is the direct link to the Maths section that gives parents an easy guide on maths terms and Maths help sheets.

Not quite sure how to tell the difference between an arc and an array? Check out our information sheets which can be downloaded and printed for easy reference.

There is also an app available through iTunes and on Android products for Free.

REGIONAL ATHLETICS Last week, four representative from Batemans Bay Public travelled to Sydney to participate in the Regional Athletics Carnival. The girls had a successful day each placing in their chosen sports of discus, 800m race and shot put. We congratulate all the girls on their efforts and thank their parents and family for their support. Well done girls.
