Dear Parents,

Week 2 started off with our Monday morning assembly, in which many of our students that participated in the UNSW mathematics competition and Australian Maths Competition were given awards. It was a WOW moment to see so many great mathematicians, well done to all students for a great achievement.

Due to the significant down pour of rain this week the Dental van that was scheduled to come for our Koori students has been postponed. This is disappointing but moving such a large van in the rain and over soft ground can be hazardous. We look forward to the Dental van visit later on this term.

We have recently had a number of students admit to being on social media websites such as Facebook. Just a reminder that a child has to be 13 years or older to register on this site. In the coming weeks there will be attachments for parents/carers around hints and tips to ensure their child is being cyber smart.

Next week the Chess team will travel to Bodalla to compete against other Far South Coast schools. Thank you to Mrs Canham for organising this event and we wish the team the very best of luck.

Have an awesome week of Learning, Caring, Sharing, Playing.

Mrs Nichole Williams
Rel. Principal

BEING SAFE IN AND AROUND SCHOOL

It has come to our attention that many parents and students are not using the pedestrian crossing outside of school to cross the road to the car park. They are walking between cars, buses and moving traffic to get to their own vehicles. This is highly unsafe and a dangerous practice for parents to be modelling to their own children. We strongly urge our parents to walk the few extra steps to the crossing, use it safely and walk back to their cars using the path.

A reminder that our school is a 40km zone and this continues almost to the roundabout. Parking areas need to be adhered to as there has been an increase in police presence to monitor this.

BEING SAFE & USING THE CROSSING IS EASY!
