Dear Parents,

Our NAPLAN testing is almost completed, with only the numeracy test to be completed tomorrow. Thank you to all those parents of students in year 3 and 5 who are making sure their child is at school during this period. Test results are delivered to the school later in the year.

As of this Friday we ask all parents NOT to send their child to school with Loom Bands. This includes the wearing of Loom bands on wrists, necks, etc and with the bringing of loose bands and other equipment to school. Thank you for your support.

Our District Cross Country runners will take to the track at Potato Point this Friday morning. We all wish them well and I know that they will enjoy the day competing with other schools. I look forward to sharing the results with you next week.

I would like to remind all parents that if your child is away, you must either send a note to school with an explanation of the absence with the date/s and your child’s name and class or phone the school with this information. Please consider that absences such as going shopping, staying home to look after siblings and having the day off for visits to family are not justifiable reasons to be away and will be recorded against your child’s attendance history. If your child is away for 3 consecutive days sick, they will need a Doctors Certificate. Please talk with your child’s class teacher if you need any further clarification.

Looking forward to the Simultaneous Story Time, the Nowra Eisteddfod for Recorder and Flute, our Netball team competing in Broulee, the K-2 AFL Gala day and our Walk Safely to School Day all next week.

Have a great week of LEARNING CARING SHARING PLAYING.

BEING SAFE IN AND AROUND SCHOOL
It has come to our attention that many parents and students are not
using the pedestrian crossing outside of school to cross the road to the
car park. They are walking between cars, buses and moving traffic to
get to their own vehicles. This is highly unsafe and a dangerous
practice for parents to be modelling to their own children. We
strongly urge our parents to walk the few extra steps to the crossing,
use it safely and walk back to their cars using the path. A reminder that our school is a 40km zone
and this continues almost to the roundabout. Parking areas need to be adhered to as there has been an increase in police presence to
monitor this.

BEING SAFE & USING THE CROSSING IS EASY!

Breakfast Club is back up for Term 2. Hope to
see you there. 8:15am—8:45am

Thank you to our breakfast club sponsors. Please support these businesses who support us!!.
