Dear Parents,

The amazement on faces and the kind words from our visitors the South Sydney Rabbitohs and Dental van friends on Monday, quickly reminded me of what we have at BBPS. When you are ‘in it’ every day, you sometimes don’t see the significance of what we have. I believe and have seen demonstrated time and time again that BBPS is a place of happy, caring, engaged and truly amazing kids and staff. On Monday, we welcomed kids from Broulee PS, Mogo PS and Sunshine Bay PS, where they all interacted happily, shared and learnt new ways of healthy living, dental care and fitness with the footy guys. BBPS kids and teachers just shine and lead the way every time. Makes me so proud to be part of this top school.

It is with much pleasure I would like to congratulate Mrs Sue Purcell in her promotion to Instructional Leader at BBPS & Mogo PS. Mrs Purcell will be working with K-2 teachers and students to focus on literacy and numeracy. This is a state project that our schools are very fortunate to have been chosen and to be sharing in Mrs Purcell’s expertise. There will be more information next term about Mrs Purcell’s role and the Early Action for Success initiative.

The Book Fair has been running in the library since last Friday. Many excited kids have been through the library looking at the books and sharing the joy of reading and having adventures through unlocking literacy. Thank you parents for your support of the book fair and to Mrs Carroll who goes above and beyond to make sure all children have access to this exciting event.

This Friday we have our senior Athletics Carnival. I welcome parents, family members and community to come along and be part of the fun day. This is an excellent opportunity to get involved in a fun day and show your support for the school. A note will be coming home with approximate times for events. Please understand that sometimes these events do not stick to the advertised times as we are working with over 250 kids.

Next week we celebrate NAIDOC week. On Monday we have our opening ceremony and our Book Launch. We are very excited to be releasing a book written by our very clever Aunty Trish Towers and Mrs Jenkins in local Aboriginal ‘Dhurga’ language. This week is jammed with cultural events that we hope that parents and community will come in and share with us. It is an important time on our school calendar and I welcome your participation. See further information in the newsletter for activity days and times.

This Thursday we are practising a ‘Lockdown’ procedure. These drills are a part of what we must do in school to make sure that in a real emergency we can keep our kids safe. Please see your child’s teacher if you have any questions relating to this school procedure.

Some classes have already started parent-teacher interviews this week, with the majority happening next week. It is not too late if you would like to meet with your child’s teacher. I can not emphasis enough how important it is to have contact with your child’s teacher. This relationship is vital to your child’s long-term education and this is the perfect time of year to be in school. Reports will be handed out at interview for discussion. Please contact your child’s teacher via phone or a note if you need to book a time.

Have a great week of LEARNING CARING SHARING PLAYING.

PSSA Girls Soccer
The Year 5/6 girls’ soccer team travelled to Bodalla on Thursday to play in the PSSA Knockout. Wow! What a great game! The girls played exceptionally well. We started out very strong with some great shots on goal; we really made the Bodalla keeper work. Bodalla only managed to break through our defence once in the first half with a terrific shot which landed in the back of the net. This made it 1–0 at half time. Our girls came out fighting in the second half. Our backs were smashing the ball out of the back line, our midfielders were running and chasing every ball down and our two forwards had more shots on goals. We just couldn’t seem to get the ball past their goal keeper. With a minute to go Bodalla scored their second goal ending the game as a 2–0 win to Bodalla. The girls did our school proud with their excellent sportsmanship and their positive attitude. Well done girls!

PSSA Boys Soccer
Well done to our boys soccer team who have made it through to Round 2. The boys will play their match tomorrow at the Surfside Oval at 11:30. If you can get there to support them I’m sure the encouragement will be appreciated.
GOOD LUCK BOYS!!!
DANCE EISTEDDFOD
Miss Edwards and her Dance Troupe performed at the Nowra Eisteddfod last Friday. The girls and boy did an amazing performance to end up with 3rd place. Thanks to Meg Maxworthy for making the team stand out with the impressive make up she applied and to all the parents who came along to support their children. What a wonderful performance. WELL DONE!
