Dear Parents,

It was my pleasure this Monday to hand out a number of awards at Assembly to children achieving great results in the University of NSW tests and The Premiers Reading Challenge. Many children in our school take opportunities such as these to extend their learning and are achieving great results. Well done.

This week is National SASS week. Our SASS staff are the teachers aides, office staff, our grounds people who make our school run so smoothly. I would like to say a very big THANK YOU to all our SASS workers at BBPS, you work so hard and we thank you for all that you do for us. Teachers will be hosting a morning tea on Thursday to express our gratitude.

The Year two's head out today to Lake Tabourie for their first overnight camping experience. This is the first crucial step in building independent campers by the time they reach year 6. We know they will have a great time with lots of fun to be had with friends. Can't wait to hear their stories.

The P&C Father's Day stall is being held tomorrow. All children Preschool to Year six will have an opportunity to purchase items for their Dad, Uncle, Pop or special someone in their life.

[Note: Year two's will be able to purchase their gifts on Friday morning]. Thank you to the hard-working P&C fundraising committee members who work tirelessly behind the scenes to make these events happen for our children. We really do appreciate it.

NAPLAN reports go home to each Year three and Year five child today. Remembering this test is done in early May and it is one test that doesn't reflect the total growth and learning of your child. It does give you an indication as to where your child is achieving against National standards and school results. I strongly encourage all parents to have a close look at what your child is achieving and if you have further questions, make an appointment with your child's class teacher.

The Eurobodalla Learning Community Awards Night is less than a week away. This night showcases our Public Primary and High schools in the Eurobodalla and their achievements. Each school also presents awards to their school leaders and teachers who run programs for the district. As well as that, each school nominates a Public Education Ambassador. It is with much pleasure that I announce Mrs Helen Smart the BBPS Education Ambassador for 2014. Mrs Smart embodies all that a public educator should be and we are so proud to see Mrs Smart receive this award next Monday night at the Soldiers Club.

The Fete is now a week away. The excitement is building. Have you sent in your brown paper bag? Have you put your name down to help on a stall for an hour? Can't wait for the fun!

Have a spectacular week LEARNING CARING SHARING PLAYING
