Dear Parents /Caregivers,

The 'Extravaganza' is in full swing with practice at the school. Information about the night, including ticket sales, has gone home. Our biggest concern is that as we have only one performance we will not be able to seat everyone. We sold over 100 tickets in first two days. We have seating for 600. Tickets won't be available on the night so I suggest you get in early.

The 'Life Education Van' class visits have started and will continue for a two weeks. There is still time to send the notes and money back to school.

Our 'Day for Daniel' is on Tuesday 27th October. We will be asking the children to wear something red and bring in a gold coin donation. The message is about 'Keeping Kids Safe'. An important message as we come into the Christmas break. The teachers will be doing some work with the children leading up to the day. If you Google 'Day for Daniel' you will also be able to talk to your child(ren) about some of the important 'Keeping Safe' messages.

The 'Kicking Goals' initiative will continue this term. All children will kick a learning goal and have the photo in the newsletter and put up in the hall for our end of year presentations. Our aim in the years to come is to have children recognise goals that they want to achieve and work with the teachers and support staff to achieve these goals. WOW.

The 'Seaside Carnivale' is on Sunday 15th November from 9am to 2pm at Corrigans Beach. It is a great family day out as most of you know. Keep the date free so you can come along. More information about the competitions and prizes will be in the newsletter next week.

Have a great week LEARNING SHARING CARING PLAYING

Tom Purcell
Principal

AUSTRALIANA EXTRAVAGANZA

Our school will be hosting our first ever Extravaganza performance. All children in our school will be performing during the concert and we warmly invite parents, carers and family members to come along and enjoy the show “AUSTRALIANA”.

Our Kids Kick Goals

Jayden can use a capital letter at the start of his sentences!

Jordan is including adjectives in sentences.

Ryder can use words from the Word Wall in his writing.

I now use adverbials in my writing.

I am writing direct speech, interesting verbs and noun groups in my narrative!

Mary can write more than one sentence!

I am writing creative action sequences.

Peter can write a sentence on his own!
I am writing super sentences with description.

Dylan is spelling common words correctly.

Isabella is editing and self-correcting her work after writing.

Charlotte is spelling a wider range of words.

Mason is trying hard to improve his handwriting.

Lini is editing her work after writing.

I've improved in my grammar!
Our Kids Kick Goals

Learning, Caring, Sharing, Playing

Olive is writing better sentences with more content.

I use adjectives to write more interesting sentences.

WOW!

August is proof reading her writing to make sure it makes sense.

I can use adjectives to write more interesting sentences.

My spelling is great.

I am adding punctuation in my writing.

I can show that I have edited my writing to check that it makes sense.
Batemans Bay Public School will be supporting the Daniel Morcombe Foundation this year by participating in the "Day for Daniel" event.

**WHEN:** Tuesday 27 October

Students to wear RED and a gold coin donation will be collected during the day.

The BIG RED TRUCK and the Federal Police will be here on the day educating children and adults about keeping kids safe through child safety and protection initiatives. It aims to help empower our children to Recognise, React and Report if they feel something is not right. Wear Red and Educate is the theme of for Day for Daniel.

For more information visit [www.dayfordaniel.com.au](http://www.dayfordaniel.com.au)

**Australian Mathematics Competition**

WOW - this year 42 students from years 3, 4, 5 and 6 participated in the Australian Mathematics Competition administered by the Australian Mathematics Trust. Overall results included three credits, 27 proficiency and 11 participation grades awarded. Maths topics included Number, Algebra, Geometry, Measurement, Statistics and Probability and Problem Solving. It's great to see our kids having a go at these high level competitions and challenging themselves! Well done to everyone who participated in the challenge.

Ms Maley—Challenge Coordinator
