Dear Parents /Caregivers,

Year 6 are having a great time in Sydney this week. Mr P and the Year 6 teachers are leading the kids around Sydney to see some of the amazing sights of the city such as the Harbour Bridge, Centre point Tower, Madam Toussad’s Museum, Luna Park, Taronga Zoo and Jet Boat riding just to name a few. Check out our Batemans Bay Public Facebook page for some action shots of all the fun. A trip of a lifetime!

In the coming week all our Kicking Goals photos of each child in our school will be going up on the new pin boards in readiness for our Presentation day for the juniors and Presentation night for Seniors on Monday 7 December. We are so proud of all our children achieving their goals in writing and these will be proudly displayed in our hall. We invite parents, family and friends to take a moment and have a look at the wonderful display.

In the coming weeks when school is coming to a close, continuing to be persistent, be confident, working tough, following the rules and getting along is important to make our end of year a fun time. Everyone can do their bit in making sure our school is a WOW place to be when we are LEARNING SHARING CARING PLAYING

Have a great week.

MORE II A GOALS
The school swimming trials will be held on **Friday 11 December** at Batemans Bay Swimming Pool. This event will go ahead in conjunction with Sunshine Bay Public School. These are trials for COMPETITIVE swimmers only. *It is an expectation that children entering the carnival can competently swim 50m in at least one stroke with the correct technique and without stopping.* It is open to students in Years 2 through to year 5. All interested students should by now have received a note. However, notes can be collected from Mr Williams (1W). If your child is attending please think about volunteering your time to assist with the running of the carnival. We cannot run the carnival without parent helpers. More information about the day will be available next week.
