A date to remember for next term is Tuesday 27th October. Our school will be supporting “Day for Daniel” (Daniel Morcombe) We will have the Federal Police and the Big Red Truck at our school on this day. All children will be able to go thru the truck and Year four to six will be involved in a presentation as well. More information to come next term.

**Broulee Surfers SLSC Nippers**

Summer is coming......and that means Nippers!

The days are getting warmer – time to think about weekends at the beach. Most Sunday mornings or Saturday afternoons during summer Broulee Surfers SLSC runs Nippers at South Broulee Beach in front of the Surf Club. Children from ages 7-14 participate in a variety of fun and challenging beach and water activities for two hours.

Nippers is all about learning skills, building confidence and having fun in a supervised and safe beach environment. For Nippers, the beach is the classroom. They learn and thrive by participating and testing themselves in swimming, board paddling, beach sprinting, dolphin-diving, spotting a rip, having fun with new friends and discovering things about themselves.

Nippers activities are fun and a great opportunity to learn some valuable life skills. The nippers of today are the future of surf lifesaving tomorrow!

Broulee Surfers SLSC is holding its Pool Assessment at Moruya Pool on Saturday 10 October 2015 from 10am – 12pm. Following the Pool Assessment, the first beach session will be held at the Broulee Surfers SLSC on Sunday 25th October at 10am. Please go to the Broulee Surfers website (http://brouleesurferslsc.org.au/) to register via the membership link. For any problems with the online process, please email the Club contact on the website.

For more information on Nippers at Broulee contact Scott Elliott on 0413-009-993 or David Hosking on 0421-615-905.
