Dear Parents /Caregivers,

At Monday mornings assembly we inducted and presented the badges to our house captains and vice captains as well as our school leadership team and school captains. We also recognised our swimming champions from the 3 age groups. Congratulations to our school leaders and their families. It is certainly an honour to be voted by your peers to such important roles. After the assembly the children and families enjoyed a morning tea with the staff. It was a very positive start to the year.

One of our next positive initiatives is our ‘Meet the Teachers BBQ’ which is on Wednesday 17th February (next week). Bring the family along and enjoy meeting your child’s teacher and staying for a sausage sandwich and a drink. It starts at 5.30pm and concludes at 7pm. We would love to see everyone there.

The time has come and so it is Mrs Jenny Borthwicks last day at our school today. Jenny has been at our school since 1998 and working in education since 1978. That is a WOW. Jenny has been a wonderful teacher in our school for all this time but her legacy in recent years has been her work in our pre-school. What a fabulous job she has done in preparing our Mundarra children for ‘big school’. It has been amazing. It seems fitting as Jenny retires that her first group of children from Mundarra are now in Year 6. Jenny’s passion, commitment and connection to children and families will be missed by us all. I am sure you will join me in wishing Jenny a wonderful retirement. Happy horse riding Jenny.

Welcome to our new canteen manager Fiona Sessions. Fiona is replacing Wanda and is working 3 days a week. Margaret Smith is our manager on the other 2 days. Our canteen still needs volunteers. A great way to get to know our staff and kids better.

Have a great week at our school, LEARNING CARING SHARING PLAYING.

A reminder to parents to notify the school about your child’s health

We welcome information from parents about your child’s health, even if you are not requesting specific support from our school. Our school asks for medical information when you enroll your child. It is also important that you let us know if your child’s health care needs change or if a new health condition develops. Information about allergies, medical conditions such as asthma and diabetes and other health care related issues (including prior conditions such as medical procedures in the last 12 months) should be provided to the school by parents. Please provide this information in writing to the principal. This will greatly assist our school in planning to support your child’s health and wellbeing. Please also remember to notify staff in the school office of any changes to your contact details or to the contact details of other people nominated as emergency contacts. We appreciate your assistance in this regard and assure you that any information you provide the school will be stored securely and will only be used or disclosed in order to support your son or daughter’s health needs or as otherwise required by law.

You Can Do It—Getting Along

Habits of Mind that Build Getting Along

Being tolerant of others

I want people to treat me fairly but I know that doesn’t always happen. I can stand it when they do not. When someone is mean or different, I know that he or she is not a totally bad person, and he or she does not deserve to be treated badly.
